

GENERAL CASUALTY

Though many companies offer Excess Casualty insurance, Allied World provides comprehensive coverage and so much more. We have a flexible and open minded underwriting philosophy – personalizing our approach with every client because "one size fits all" simply does not cut it. Our team of underwriters has years of experience and will craft coverage for the unique exposures of each firm.

Furthermore, it is important to know that Allied World is financially solid and will be there whenever you may need us. We have a responsive underwriting approach and substantial capacity. Allied World maintains a disciplined business approach with a solid, conservative balance sheet and an "A (Excellent)" rating from A.M. Best.
