Allied World Healthcare provides specialised solutions for the rapidly changing global healthcare sector with an offering of a wide array of insurance products that address the unique and emerging exposures of this industry. We offer the total package of professional and general liability products with competitive pricing, comprehensive coverage, expert claims service and complementary risk management resources.

Allied World has built its worldwide healthcare reputation on the foundation of delivering superior risk reduction programs to the organisations we insure. We design services to be an integral component of our clients' insurance coverage – adding value beyond insurance protection. We work with our policyholders to incorporate their insights and experience into a risk reduction program that keeps assets and people protected. Allied World's suite of risk management services includes:

- Tailored clinical risk management service plans
- Access to market-leading risk management research and publications
- Training, education and seminar programmes including webinars.

PRODUCTS

- Healthcare Institution Medical Professional Liability
- Healthcare Institution Medical Professional and Public Liability
