

ALLIED WORLD EUROPE – BREXIT UPDATE FOR CUSTOMERS AND BROKERS

In anticipation of the United Kingdom's departure from the European Union ("Brexit"), **Allied World Assurance Company Europe dac** confirms that post-Brexit it will continue to:

- Underwrite (re)insurance business from the European Union and European Economic Areas, the United Kingdom and rest-of-world.
- Service, including manage claims under, (re)insurance policies issued prior to Brexit.

Whether you are an existing or prospective customer or broker, you will continue to have straightforward and efficient access to our suite of innovative (re)insurance products and risk-transfer solutions, which are available through our Irish and U.K. offices.

For further information about our products and service hubs, please contact:
