SPORTS AND WELLNESS PROGRAM

Together with NSM Insurance Group, we provide national comprehensive coverage for the Sports and Wellness Industry. For several years now, there has been a trend for total family wellness that is being driven by individual motivation as well as employer motivation. Employers are looking to motivate their employees and family members to be fit and healthy. This helps employee performance, attendance, and helps reduce health and insurance costs. One class of business within the Sports and Wellness Industry is amateur sports, which is a \$20 billion dollar industry in the U.S. that has shown to be remarkably recession-proof.
