#### **RISK MANAGEMENT SERVICES**

#### Privacy and Network Security:

Timeliness, quality, and accuracy are essential components of mitigating a network incident or a breach of sensitive information.

Should a privacy or network security event occur, policyholders receive access to Allied World's panel of pre-approved response vendors. These independent breach consultants possess a wealth of knowledge and experience in a complex and emerging area of exposure and can provide guidance and advice in support of response efforts. Support services can range from identifying applicable state and federal breach notification statutes, to helping to retain other response vendors for services such as notification or data forensics.

**Employment Practices:** Allied World's Workplace Solutions is available to policyholders at no additional cost. Policyholders who purchase Employment Practices Liability coverage receive seamless access (via phone or website) to experienced employment attorneys from a national law firm for personalized advice and best practices counsel on a variety of human resources and employment law issues.
