DEDICATED LOSS CONTROL

Through our strategic partnerships with some of the nation's top safety consultants, we can provide insureds with access to onsite risk evaluations and hazard analysis, ongoing jobsite recommendations/consulting and onsite or web-based training, including OSHA 10; OSHA 30; Forklift Training; Defensive Driver Training; Confined Space Entry; and Logout Tagout. These services are available in all 50 states. All work is individually assigned to a third-party loss control professional with the necessary expertise.

ALLIED WORLD CLAIMS HANDLING

Our claims team has significant expertise across numerous product lines and is committed to the highest levels of professionalism, responsiveness and good faith in claims handling.

FINANCIAL STRENGTH

We understand how important it is that a carrier has the financial strength to ensure that it will be there when your clients need us. We believe that our "A" (Excellent) rating from A.M. Best, conservative balance sheet and solid capital base put Allied World in a superior position to withstand future economic upheavals and to provide our insureds the protection they need.

24/7 WEB-BASED TRAINING

Policyholders have access to a single source, web-based training library offering over 700 discounted workplace health and safety courses, coupled with an automated tracking, reporting and certification process tailored to your business.

This information is provided as a general overview for agents and brokers. Coverage will be underwritten by an insurance subsidiary of Allied World Assurance Company Holdings, Ltd, a Fairfax company ("Allied World"). Such subsidiaries currently carry an A.M. Best rating of "A" (Excellent), a Moody's rating of "A3" (Good) and a Standard & Poor's rating of "A-" (Strong), as applicable. Coverage is offered only through licensed agents and surplus lines brokers. Actual coverage may vary and is subject to policy language as issued.
