EXECUTIVE FORCEFIELD®: Side 'A' Directors & Officers Excess and Lead Difference-in-Conditions (DIC) Insurance

Not only does the policy help to fill gaps and inconsistencies in coverage where the primary carrier fails to provide indemnification, it also affords the client (by way of a single claim limit) greater recovery under the original and reinstated limits when there are numerous unrelated claims.

- **Mitigation Costs:** reasonable costs, charges, fees and expenses that are incurred by Insured Persons to reduce the likelihood or severity of any Non-Indemnifiable Loss resulting from a potential Claim to which the policy would respond.
- **Policyholder Access Costs:** an additional \$1M limit may be available for the reasonable fees, charges, costs and expenses incurred by an Insured Person (director or officer of the Company) to investigate and defend against efforts by any other Insured Person or any third party to seize or attach this policy or any Underlying Policy, or enjoin such director or officer Insured Person from gaining access to the Limits of Liability provided by this policy or any Underlying Policy. (Coverage is not limited to ultimate parent company director or officer.)
- **Asset Protection Costs:** available, subject to sublimit.
- **Reputation Costs:** available, subject to sublimit.
- **Extended Reporting Period (ERP):**
 - For Retired Insured Persons

- **For Financial Impairment:** provides a 10 year ERP following financial impairment at no additional premium, provided that this policy is either cancelled or is not renewed or replaced.
- **Locally Required Extended Reporting Period:** provides the minimum period imposed or required by applicable local law, whichever is longer.
- **For Change in Control:** clients can purchase an ERP of up to 10 years, as of the date the Organizational Change takes effect, for an additional premium. (ERP can be longer than ERP purchased under any Underlying Policy.)
- **For CANCELLATION AND NON-RENEWAL:** clients can purchase up to a 10 year ERP for an additional premium.
- **Drop Down Event (DIC) includes:**
 - **Non-licensed DIC Extension:** failure or refusal of an Underlying Insurer to pay the Non-Indemnified Loss because the Underlying Insurer does not hold a local license.
 - **Quick Response:** failure of an Underlying Insurer to indemnify any Insured Person for the Non-Indemnified Loss within 45 days after indemnification is requested.
 - **Failure to Report a Claim:** the Underlying Insurer is not liable for the Non-Indemnified Loss including where there is an obligation in any Underlying Policy to report a Claim which has not been satisfied.
