

EXPAND CYBER SOLUTIONS TO ADDRESS CUSTOMER NON-PAYMENT DUE TO A CYBER THREAT

THE CYBER THREAT IS REAL

Cyber attacks are the biggest threat facing the business world today.

(Source: Harvard Business Review)

1/2 of all U.S. small & midsize businesses experienced a data breach in 2017 and...

55% experienced a cyber attack

Accounts Receivable Insurance is a Risk Management Tool that can help mitigate the effects of Cyber threats in turbulent economic times.

IF A CUSTOMER DECLARES BANKRUPTCY, IS NON-PAYMENT COVERED?

IT IS LIKELY THAT A **COVERAGE GAP** EXISTS

Most Cyber Policies offer coverage for **Contingent Business Interruption** in cases where attacks on Third-Party Vendors cause insureds to experience a business interruption incident. However, this coverage **does not extend to instances where customers suffer a Cyber loss and are unable to pay their bills. Only Accounts Receivable Insurance protects against customer non-payment due to a cyber event.**
