

PROFESSIONAL INDEMNITY

Allied World is an industry leader in Professional Indemnity (PI). Our experienced underwriters are adept at separating perceived risk from actual risk, allowing us to service a broad range of traditional accounts, as well as craft coverage solutions for complex or hard-to-place professions. We offer comprehensive coverage to ensure that our policyholders are protected against risks endemic to their profession.

Allied World has remained committed to the PI market, seeking long-term relationships with our clients. One of our key attributes is the consistency we offer our clients.
