ABOUT OUR PRIVACY NOTIFICATION AND BREACH RESPONSE APPROACH

Timeliness, quality, and accuracy are essential components of mitigating a network incident or a breach of sensitive information.

In the event of a privacy or network security event, policyholders receive access to Allied World's panel of pre-approved response vendors. These independent breach consultants possess a wealth of knowledge and experience in a complex and emerging area of exposure and can provide guidance and advice in support of response efforts. Support services can range from identifying applicable state and federal breach notification statutes,

to helping to retain other response vendors for services such as notification or data forensics.

FINANCIAL STRENGTH

We understand how important it is that a carrier has the financial strength to ensure that it will be there when needed. We believe that our "A (Excellent)" rating from A.M. Best, conservative balance sheet, expanding scope of operations and solid capital base put Allied World in a superior position to withstand economic upheavals and to provide our insureds the protection they need.

* Higher limits are available via our stand-alone cyber product that is sold separately.
