Allied World Healthcare provides specialised solutions for the rapidly changing global healthcare sector with an offering of a wide array of insurance products that address the unique and emerging exposures of this industry. We offer the total package of professional and general liability products with competitive pricing, comprehensive coverage, expert claims service and complementary risk management resources.

Allied World has built its worldwide healthcare reputation on the foundation of delivering superior risk reduction programmes to organisations we insure. Our services are designed to be an integral component of our clients' insurance coverage – adding value beyond insurance protection. We work with policyholders to incorporate their insights and experience into risk reduction programmes that keep assets and people protected.

Allied World's suite of risk management services includes:

- Tailored clinical risk assessments
- Access to risk management research and publications
- Education and seminar programmes
- Regulatory and advisory support
- E-mail alert service
- Educational scholarships and conference attendance

PRODUCTS

- Healthcare Medical Professional Liability
- Healthcare Medical Professional and Public Liability

CAPACITY

Limits of liability up to \$25m / £20m / €20m per claim with increased aggregate limits available.

TARGET CLASSES

Through our global operations we are able to serve healthcare providers across the world, offering both primary and excess coverage for:

- Hospitals
- Primary care
- Telehealth
- Specialist clinics and outpatient clinics
- Allied health services and charities
- Imaging centres
- Care establishments and rehabilitation centres
- Staffing and recruitment agencies
- Practitioner groups and associations
- Individual physicians and surgeons
