

FLEET INTELLIGENCE SERVICES BY ORION

Understanding how your fleet is performing on the road is the cornerstone for improving safety, reducing operational costs and preventing unauthorized usage.

Access to Expertise in Fleet Intelligence

As part of our ongoing commitment to providing comprehensive risk management solutions, Allied World has partnered with Orion Fleet Intelligence — a leading authority in fleet management. Gain superior visibility into how your fleet is performing on the road, address risky and inefficient driving behavior and achieve what GPS technology alone cannot through driver coaching, monitoring and analysis.

To request access to a 90 day fleet intelligence pilot program,
please contact riskmanagement@awacservices.com.

Orion can help insureds to:

- Improve safety by identifying high risk driving
- Save on fuel costs
- Reduce claims frequency and severity utilizing telematics and driver coaching
