that no claim under the **Policy** has been paid or is outstanding (including the notification of any claim, circumstance or loss).

Notwithstanding this, subject to the Premium Payment Condition and the Premium Adjustment and Audit Condition, where the Directors and Officers Liability Section is stated in the Schedule as operative, the **Insurer** will continue to provide cover under the Directors and Officers Liability Section until the end of this **Period of Insurance**.

Where this **Policy** is provided by the **Insurer** and co-insurers, as named in the **Schedule** (and notwithstanding the use of 'the **Insurer**' in this **Policy**), the legal obligations of each insurer are several and not joint and are limited solely to the extent of that insurer's proportion of risk as shown in the **Schedule**.

Excess (not applicable to Employers' Liability Section or Professional Indemnity Section)

The cover provided under each Section of the **Policy** will be subject to the **Excess** for which the **Insured**, and not the **Insurer**, is liable. The **Insurer** may pay all or part of the **Excess** in respect of the settlement of any claim under this **Policy** and seek reimbursement from the **Insured**. If it does so, the amount of **Excess** paid by the **Insurer** must be reimbursed by the **Insured** at the **Insurer's** request.

the **Insurer** will refuse to pay such claim or any other claim under this **Policy** thereafter and will terminate this **Policy** without any refund of **Premium**.

If any of the acts or omissions set out in clauses 1 to 4 of this condition are committed by or on behalf of an **Insured Person** and not by or on behalf of any other **Insured**, this condition should be read as applying only to that **Insured Person's** claim and references to "this **Policy**" should be read as references to the cover effected for that **Insured Person** alone and not to the **Policy** as a whole.

Law and Jurisdiction

Any dispute concerning the interpretation or application of the **Policy** is to be subject to, and will be construed in accordance with, the law of England and Wales; the parties further agree, subject first to the Arbitration condition, to submit to the exclusive jurisdiction of any competent court within England and Wales and to comply with all requirements necessary to give that court jurisdiction.

Legal Representatives

In the event of the death of the **Insured** the **Insurer** will indemnify the **Insured's** estate, heirs or legal personal representatives in respect of liability previously incurred by that **Insured** that they would otherwise have been entitled to an indemnity under the **Policy**, provided that the estate, heirs or legal personal representatives observe, fulfil and be subject to the terms, conditions and limitations of the **Policy** in so far as they can apply.

2. business interruption or interference, increased costs of working or loss of rent; or
3. legal costs and expenses or liabilities to third parties

- a. In respect of **Damage to Property Insured**, the liability of the **Insurer** under this **Policy** will be limited to their rateable proportion of that **Damage**. If that other insurance is subject to any condition of Average, this **Policy** if not already subject to any such condition of Average, will be subject to Average in like manner. If that other insurance is subject to any provision that prevents it from ranking concurrently with this **Policy**, either in whole or in part, or from contributing a rateable proportion, the liability of the **Insurer** under this **Policy** will be limited to that proportion of the **Damage** which the **Sum Insured** under this **Policy** bears to the value of the **Property Insured**
- b. In respect of business interruption or interference, increased costs of working or loss of rent the liability of the **Insurer** under this **Policy** will be limited to their rateable proportion of such loss;
- c. In respect of legal costs and expenses or liabilities to third parties, the **Insurer's** liability will apply in excess of and not in contribution with that other insurance.

Notification

Sections of the **Policy** contain terms relating to the **Insured's** obligation to notify the **Insurer** of matters for which the **Insured** may wish to seek an indemnity for under that Section. The **Insured** is required to carefully read and comply with such terms as appropriate; some of these have the force and effect of conditions precedent which means that any failure to comply with them may affect the **Insured's** entitlement to indemnity under the **Policy**.

Premium Adjustment and Audit

Where any part of the **Premium** is based on estimates furnished by the **Insured**, the **Insured** must:

1. keep an accurate record containing all relevant particulars,
2. allow the **Insurer** to inspect those records,
3. supply those records as the **Insurer** may require within 30 days from the expiry of the **Period of Insurance**;
4. supply an auditor's certificate in support of those records if so requested by the **Insurer**

Based on those records, the **Premium** will be adjusted by the **Insurer**, subject to any minimum that may apply. If the **Insured** fails to supply the records within the period stated above, the **Insurer** reserves the right to make an estimate of the records and adjust the **Premium** accordingly.

Premium Payment

The **Insurer** must receive the **Premium** due under this **Policy** on or prior to the commencement of the **Period of Insurance** and in default of such payment this **Policy** is voidable.

Reasonable Precautions

The **Insurer's** liability to indemnify will only arise if the **Insured**:

1. takes all reasonable precautions to avoid or diminish any liability or loss which may give rise to or has given rise to a claim under this **Policy**
2. takes all reasonable precautions to prevent accidents or any activity that might give rise to a liability to a third party
3. takes all reasonable steps to comply with all applicable national or local laws, requirements and regulations
4. exercises due care in the selection and supervision of **Employees**

Renewal

This **Policy** or any Section of it will not automatically renew and unless an offer to renew is accepted, this **Policy** or any relevant Section will expire at the end of the **Period of Insurance** without notice.

Rights of Third Parties

Other than where expressly provided for within the **Policy**, a person or company who is not a party to this **Policy** has no right under the Contracts (Rights of Third Parties) Act 1999 or any subsequent legislation or amendment to enforce any term of this **Policy** but this does not affect any right or remedy of a third party which exists apart from that Act.

Severability

In the event that any portion or Section of the **Policy** is found to be invalid or unenforceable, the remainder will remain in full force and effect.

Statutory Regulations

The **Insurer's** liability to pay any claim under this **Policy** relating to any pressure vessel or other machinery or apparatus (or its contents) belonging to or under the control of the **Insured**, which requires inspection or test under any statute or order or regulation, will not accrue unless that pressure vessel or other machinery or apparatus vessel, has been appropriately and satisfactorily inspected or tested and the **Insured** can demonstrate that it has implemented any actions thereby required.

Subrogation

Any claimant under this **Policy** must at the request and at the expense of the **Insurer** do and concur in doing and permit to be done all such acts and things as may be necessary or reasonably required by the **Insurer** for the purpose of enforcing any rights and remedies or of obtaining relief or indemnity from other parties to which the **Insurer** is, or would become, entitled or subrogated upon its paying for or making good any loss under this **Policy** whether such acts and things are or become necessary or required before or after his indemnification by the **Insurer**.

The Declared Value incorporated in each item is as stated on the **Schedule**. At the inception of each **Period of Insurance** the **Insured** will notify the **Insurer** of the Declared Value of the **Property Insured** by each of the said item(s). In the absence of such declaration the last amount declared by the **Insured** will be taken as the Declared Value for the ensuing **Period of Insurance**

Notwithstanding any general indication or endorsement to the contrary, the following wordings apply to Special Condition (4) of the Reinstatement Condition:

If at the time of loss the Declared Value of the **Property Insured** covered by such item be less than the Cost of Reinstatement (as defined in paragraph 1 of the Day One Basis Condition) at the inception of the **Period of Insurance**, then the **Insurer's** liability for any loss hereby insured will be limited to that proportion thereof which the Declared Value bears to the Cost of Reinstatement

Where by reason of any of the above special provisions, no payment is to be made beyond the amount which would have been payable under this Property Damage Section if this clause had not been incorporated therein the rights and liabilities of the **Insurer** and the **Insured** in respect of **Damage** will be subject to the terms and conditions of this Property Damage Section including any Condition of Average (Underinsurance) therein as if this clause had not been incorporated therein except that the **Sums Insured** will be limited to 115% of the Declared Values as stated in the **Schedule**

Notification

1. Claims

It is a condition precedent to the **Insurer's** liability under the Directors and Officers, Corporate Legal or Employment Practices Liability Sections that as soon as reasonably practicable after a **Claim** is first made, the **Policyholder**, or any **Insured** being claimed against, must give written notice of, and forward a copy of, that **Claim** to the **Insurer** during the **Period of Insurance** in the way shown in the **Schedule**.

Where it can be demonstrated to the **Insurer's** satisfaction that it was not reasonably practicable to provide written notice during the **Period of Insurance**, notice may be given in the first fifteen (15) days immediately after the **Period of Insurance**. Notice given in this fifteen (15) day period, and subsequently accepted by the **Insurer**, will be deemed to have been given during the **Period of Insurance**.

2. Circumstances

When an **Insured** first becomes aware of a **Circumstance** that is reasonably expected to give rise to a **Claim**, that party may give written notice to the **Insurer** during the **Period of Insurance** providing the fullest possible particulars of the:

- a. nature of the **Circumstance**, including any relevant dates, names and contact details; and
- b. anticipated **Wrongful Act** allegations; and
- c. reason for expecting that the **Claim** will be made; and
- d. date and manner in which that **Insured** first became aware of that **Circumstance**.

Excess

Where an **Insured Company** is permitted or required, but fails, to indemnify or reimburse an **Insured Person** or an **Insured Trustee**, for **Loss**, the **Insurer** will pay that **Loss** in the first instance provided that the **Insured Company**

2. notified at the same time as that first notified **Claim**.

Advancement, Reimbursement and Allocation of Defence Costs

The **Insurer** will pay **Defence Costs** to, or on behalf of, an **Insured Person** on an ongoing, interim basis, prior to final disposal, resolution or adjudication of a **Claim** subject strictly to the proviso that where those costs and expenses are ultimately determined not to be covered by the Directors and Officers, Corporate Legal or Employment Practices Liability Sections, those costs and expenses must be reimbursed to the **Insurer** by the **Policyholder** or **Insured Person** on demand and, except for payments for non-indemnifiable **Loss**, the **Policyholder** will be jointly and severally liable with that **Insured Person** to make those payments to the **Insurer**.

In the event of a **Claim** against both an **Insured** and any other party not indemnified under the Directors and Officers, Corporate Legal or Employment Practices Liability Sections, or a **Claim** both for **Loss** indemnified under any those Sections and other loss, the parties will endeavour to agree a fair and reasonable allocation of **Defence Costs** covered by those Sections in proportion to **Loss** covered by those Sections, having regard to the relative legal and financial exposures of the parties.

Where that agreement cannot be reached within a reasonable time, the parties will seek, and be bound by, the written opinion of Queen's Counsel jointly selected by the parties (where joint selection cannot be agreed the parties agree to be bound by the selection of the Chairman of the Bar Council) acting as a legal expert and not as an arbitrator, but only to the extent that the opinion concerns the fair and reasonable allocation of **Defence Costs** covered by the Directors and Officers, Corporate Legal or Employment Practices Liability Sections in proportion to **Loss** covered by those Sections, having regard to the relative legal and financial exposures of the parties. The cost of this instruction will be deemed a **Defence Cost** and paid in like proportions as are determined to be fair and reasonable in the underlying **Loss**.

The **Insurer** will not exercise subrogated rights against an **Insured Person** or **Insured Trustee**, except where it is established by formal admission, adjudication or judgment that the **Insured Person** or **Insured Trustee** has acted fraudulently or has committed a criminal act involving dishonesty or has obtained profit or advantage to which the **Insured Person** or **Insured Trustee** not lawfully entitled.

Territorial Limit

The cover provided under the Directors and Officers Liability Section is for **Loss** resulting from **Claims** made, and **Wrongful Acts** committed, anywhere in the world except Canada or the United States of America, its territories or possessions; cover provided under the Corporate Legal and Employment Practices Liability Sections is for **Loss** resulting from **Claims** made and **Wrongful Acts** committed in the United Kingdom, the Channel Islands or the Isle of Man.

This Section of the policy comes with some important conditions and terms that you need to be aware of:

Commercial Legal Protection Section - Claims conditions

There are conditions contained below which must be complied with or met for **us** to provide cover under this **policy**.

How and when to make a claim

The contact details for The Claims Department can be found in the **Welcome page** of this Section of the **policy**

We will only cover **claims** that **you** tell **us** about during **your period of insurance**.

You must tell **us** as soon as possible when **you** become aware of any cause, event or circumstance which does or may involve **you** and which has given, or may give rise to a **claim**, dispute, legal proceedings or tax investigation.

Where **we** have accepted notification as described above, **we** will treat any later **claim** regarding that notified cause, event or circumstance as though the **claim** had been notified during the **period of insurance**.

We will send **you** an insurance claim form that must be completed and returned as soon as possible.

When we will agree to cover your claim

Our consent

We will only cover **claims** where **you** have obtained **our** consent in writing before incurring any **costs**. **We** will give **our** consent for **you** to incur **costs** provided that **you** can satisfy **us** throughout **your claim** that:

- It is reasonable and proportionate (in relation to **your claim**) to incur **costs**
- There are **reasonable prospects of success**, other than **claims** under:
 - **Employment disputes - ACAS Early Conciliation**
 - **Employment disputes - Employment Tribunals response (ET3)**
 - **Employment disputes - Pre-hearing review/Employment status disputes**
 - **Criminal defence - Interview under caution**
 - **Court attendance costs**

If during the course of **your claim** **you** no longer satisfy **us** of the above, cover under this **policy** for **costs** and **compensation** will be withdrawn and any **costs** incurred or **compensation** awarded on or after the date of withdrawal will not be covered whether **we** previously agreed to them or not.

We will make **our** decision on whether to cover **your claim** based on:

- A fully completed insurance claim form
- The information and documentation **we** reasonably request
- A legal opinion from **your representative** on whether **your claim** has **reasonable prospects of success** and any professional advice **we** regard necessary

If **your claim** is accepted by **us**, it does not always mean that all **costs** or **compensation** will be paid, for example **we** will not cover **costs** for things that are not directly relevant to **your claim**. **We** may also limit any cover **we** provide by time, amount or to a specific stage of legal proceedings in order to allow **us** to review **our** continued acceptance of **your claim**.

If after accepting **your claim**, it is shown that **your claim** has not been brought within the terms and conditions of the **policy**, no further cover will be provided and **we** will recover from **you** any **costs** and **compensation we** have paid.

Counsel's opinion

At **our** discretion **we** may also require **you** to obtain a legal opinion from Counsel at **your** expense to satisfy **us** that there are **reasonable prospects of success** and it is reasonable and proportionate (in relation to **your claim**) to incur **costs**.

If based on Counsel's opinion **we** are satisfied in respect of the above the reasonable **costs** of obtaining that opinion will be paid by **us** subject to the **excess** and the limits shown in **your policy** schedule.

Claims rejected due to a lack of reasonable prospects of success

If **we** rejected **your claim** solely due to a lack of **reasonable prospects of success**, **we** will pay **costs** that are reasonable and proportionate to the legal and/or financial remedy achieved, subject to the terms and conditions of this **policy** if:

- **You** proceeded with the legal action which formed **your claim** to its conclusion with a Court, Tribunal or equivalent having issued a judgment (excluding any settlement, mediation, alternative dispute resolution or equivalent resolution process) and were successful
- **You** were defending, the judgment found **you** were not at fault
- **You** were pursuing, the judgment awarded **you** the remedy **you** were seeking at the time **we** rejected **your claim**
- **You** tell **us** about it as soon as possible

Settlements

You must inform **us** as soon as an offer of settlement is received and **you** must obtain **our** consent before **you** make or respond to any offer of settlement.

In any settlement **you** must:

- Take into account the prospects of the case and likely future **costs** and/or **compensation**
- Try to recover as much **costs** as possible

If **you** unreasonably reject an offer of settlement which **we** recommend acceptance of or make an offer which **we** do not agree with, no further cover will be provided and **we** may seek to recover from **you** **costs** and/or **compensation we** have paid.

At **our** discretion, instead of covering **you** for **costs** and/or **compensation**, **we** can choose to pay:

- The damages **you** are likely to be awarded by a Court or Tribunal or
- The amount of money being claimed against **you** or the amount of money the other party will settle for, whichever is the lesser

If **we** choose to do this, then **your claim** will end and no further payments of **costs** or **compensation** will be made.

During a **claim** under **Employment disputes, Employment compensation awards, Data protection defence** and **Data protection compensation** of this Section of the **policy**, **we** can require **you** to offer to pay an amount of money to the person **you** are in dispute with, if **we** have agreed to cover that amount as **costs** or **compensation**.

Co-operation

You must co-operate with **us** and **your representative** at all times during the course of **your claim** this includes:

- Allowing **us** and **your representative** to communicate directly with each other about **your** case
- Providing a full and truthful account of **your** case and with all necessary documentation or evidence
- Attending any meetings as required
- Instructing **your representative** to provide **us** with information, documentation or evidence **we** require (even if privileged) and regular updates including when anything negatively affects the factors **we** took into account in accepting **your claim**.

Recovery of costs

If the outcome of **your** case is that another party is found responsible for reimbursing **you** for some or all of **your costs**, **you** and **your representative** must make every effort to fully recover those **costs** which **you** must pay to **us**.

If the legal case was settled and the terms of the settlement do not specify the split between damages and costs then a fair and reasonable proportion of that settlement will be treated as **costs** and paid to **us**.

If any money is recovered from the other party then that money will be treated as **costs** and repaid to **us** first until all **costs** have been repaid to **us**.

Payment of costs and compensation

A copy of all invoices for **costs** **you** receive from **your representative** should be forwarded to **us** within 30 days of the date the invoice was issued. If **we** require, **you** must ask **your representative** to send the costs for assessment by a Court or Tribunal or to a costs lawyer of **our** choice.

You are responsible for the payment of all **costs** or **compensation**. **We** will reimburse **you** for the **costs** or **compensation** subject to the **excesses** and the limits shown in **your policy** schedule. **We** may settle these **costs** or **compensation** directly if **we** choose to do so.

Appeals

If **you** wish to appeal against the judgment or decision of a Court or Tribunal or if there is an appeal against a judgment that is in **your** favour, **we** will consider providing further cover if:

- **We** covered the initial legal proceedings that are being appealed as a **claim** and cover was not withdrawn
- The grounds for the appeal were submitted to **us** as soon as possible and before any deadline set by the Court or Tribunal

If **we** require, **you** must co-operate in an appeal against the judgment or decision of a Court or Tribunal.

Instruction and choice of your representative, Counsel and experts

In all cases **your representative** will be appointed in **your** name and on **your** behalf.

We will choose a **representative** to act on **your** behalf other than at the point of an inquiry or legal proceedings where **you** will have freedom to choose **your representative** subject to **us** approving **your** choice.

You will also have freedom to choose **your representative** if there is a legal conflict of interest between **you** and **us** subject to **us** approving **your** choice.

When selecting **your representative**, **you** must have regard to **your** duty to minimise the cost of any **claim**.

The name and address of **your** chosen **representative** must be notified to **us** in writing. **We** will accept **your** choice if:

- **We** are satisfied that **your** chosen **representative** will co-operate with **us** and enable **you** to comply with the terms and conditions of **your policy**
- The **representative** has the necessary experience to deal with the dispute
- The **representative's** charging rates are fair and reasonable in regard to the dispute

A dispute arising from **your** choice of **representative** may be referred to arbitration in accordance with **Important information – How to make a complaint.**

You must not enter into any agreement with **your representative** as to the basis of calculation of **costs** without **our** written consent.

If in any **claim your representative** wishes to instruct Counsel or an expert the following must be submitted to **us** for **our** approval:

- The expert's or Counsel's name
- Details of their expertise
- Charging rates and estimated cost
- An explanation of the need for such instruction
