

CONSTRUCTION SAFETY MANAGEMENT

BY REAL TIME RISK SOLUTIONS

Mobile technology has changed the way that companies can manage risk on construction sites. Field workers now have the ability to collect critical safety data and reduce paperwork on any Apple or Android device utilizing optional voice dictation — even when the devices are not connected to the internet.

Access to Expertise in Mobile Safety Management

As part of our ongoing commitment to providing comprehensive risk management solutions, Allied World has partnered with Real Time Risk Solutions — a leading authority in mobile technology. Allied World policyholders can receive discounted licenses for a customized mobile app that can help reduce accidents on construction sites by improving efficiencies around daily checklists, audits and tool box talks.
