# General Conditions

Applicable to all Sections unless otherwise stated

## Alteration in Material Facts (not applicable to Property Insurance)

After commencement of the **Policy** the **Insured** must give immediate notice to the **Insurer** of any alteration of fact or circumstance that materially alters the risk insured under this **Policy** including but not limited to any material change in the nature of or cessation of the **Business** or **Professional Business**; until the **Insurer** is advised of that alteration or circumstance and has expressly agreed in writing to accept liability for that altered risk, and the **Insured** has paid or agreed to pay the additional **Premium** (if any), the **Insurer** will not be liable to indemnify the **Insured** in respect of any loss due wholly or partially to that alteration or circumstance.

## Arbitration

In the event of a dispute arising out of:

1. the interpretation of the **Policy**, including any question regarding compliance with its terms, its existence, validity or termination; or
2. the quantification of any amount payable under the **Policy**;

the dispute will be referred to an arbitrator, who will be appointed by the parties in accordance with the LCIA Arbitration Rules and the making of an award will be a condition precedent to any right of action against the **Insurer**.

## Assignment

This **Policy** and any rights under it cannot be assigned without the prior written consent of the **Insurer**.

## Authorisation

The **Insured** will act on behalf of any person forming part of the **Insured** for:

1. Notification of any claim, loss, or circumstance;

On cancellation by the **Insurer** the **Insured** will be entitled, subject to the application of the Premium Payment Condition and the Premium Adjustment and Audit Condition, to a pro rata return of **Premium** equal to the number of days unexpired of the **Period of Insurance** but subject to a minimum retention of 15% of the **Premium**, provided

that no claim under the **Policy** has been paid or is outstanding (including the notification of any claim, circumstance or loss).

Notwithstanding this, subject to the Premium Payment Condition and the Premium Adjustment and Audit Condition, where the Directors and Officers Liability Section is stated in the Schedule as operative, the **Insurer** will continue to provide cover under the Directors and Officers Liability Section until the end of this **Period of Insurance**.

## Coinsurance

Where this **Policy** is provided by the **Insurer** and co-insurers, as named in the **Schedule** (and notwithstanding the use of 'the **Insurer**' in this **Policy**), the legal obligations of each insurer are several and not joint and are limited solely to the extent of that insurer's proportion of risk as shown in the **Schedule**.

## Excess (not applicable to Employers' Liability Section or Professional Indemnity Section)

The cover provided under each Section of the **Policy** will be subject to the **Excess** for which the **Insured**, and not the **Insurer**, is liable. The **Insurer** may pay all or part of the **Excess** in respect of the settlement of any claim under this **Policy** and seek reimbursement from the **Insured**. If it does so, the amount of **Excess** paid by the **Insurer** must be reimbursed by the **Insured** at the **Insurer's** request.

## Fraudulent Claims

If under this **Policy** an **Insured** or anyone acting for an **Insured**:

2. knowingly makes a false statement in support of a claim under this **Policy** or submits false or forged document in support of such claim; or
3. makes a claim under this **Policy** caused by or in connection with the **Insured's** wilful misconduct or caused or in connection with the **Insured's** agreement, knowledge or collusion; or

the **Insurer** will refuse to pay such claim or any other claim under this **Policy** thereafter and will terminate this **Policy** without any refund of **Premium**.

If any of the acts or omissions set out in clauses 1 to 4 of this condition are committed by or on behalf of an **Insured Person** and not by or on behalf of any other **Insured**, this condition should be read as applying only to that **Insured Person's** claim and references to "this **Policy**" should be read as references to the cover effected for that **Insured Person** alone and not to the **Policy** as a whole.

## Law and Jurisdiction

Any dispute concerning the interpretation or application of the **Policy** is to be subject to, and will be construed in accordance with, the law of England and Wales; the parties further agree, subject first to the Arbitration condition, to submit to the exclusive jurisdiction of any competent court within England and Wales and to comply with all requirements necessary to give that court jurisdiction.

## Legal Representatives

In the event of the death of the **Insured** the **Insurer** will indemnify the **Insured's** estate, heirs or legal personal representatives in respect of liability previously incurred by that **Insured** that they would otherwise have been entitled to an indemnity under the **Policy**, provided that the estate, heirs or legal personal representatives observe, fulfil and be subject to the terms, conditions and limitations of the **Policy** in so far as they can apply.

## Other Insurance

1. **Damage to Property Insured**, or
2. business interruption or interference, increased costs of working or loss of rent; or
3. legal costs and expenses or liabilities to third parties

covered by this **Policy** is also covered in whole or in part by any other insurance (or would be so covered save for the existence of this **Policy**) then:

- a. In respect of **Damage to Property Insured**, the liability of the **Insurer** under this **Policy** will be limited to their rateable proportion of that **Damage**. If that other insurance is subject to any condition of Average, this **Policy** if not already subject to any such condition of Average, will be subject to Average in like manner. If that other insurance is subject to any provision that prevents it from ranking concurrently with this **Policy**, either in whole or in part, or from contributing a rateable proportion, the liability of the **Insurer** under this **Policy** will be limited to that proportion of the **Damage** which the **Sum Insured** under this **Policy** bears to the value of the **Property Insured**
- b. In respect of business interruption or interference, increased costs of working or loss of rent the liability of the **Insurer** under this **Policy** will be limited to their rateable proportion of such loss;
- c. In respect of legal costs and expenses or liabilities to third parties, the **Insurer's** liability will apply in excess of and not in contribution with that other insurance.

## Notification

Sections of the **Policy** contain terms relating to the **Insured's** obligation to notify the **Insurer** of matters for which the **Insured** may wish to seek an indemnity for under that Section. The **Insured** is required to carefully read and comply with such terms as appropriate; some of these have the force and effect of conditions precedent which means that any failure to comply with them may affect the **Insured's** entitlement to indemnity under the **Policy**.

## Premium Adjustment and Audit

Where any part of the **Premium** is based on estimates furnished by the **Insured**, the **Insured** must:

1. keep an accurate record containing all relevant particulars,
2. allow the **Insurer** to inspect those records,
3. supply those records as the **Insurer** may require within 30 days from the expiry of the **Period of Insurance**;
4. supply an auditor's certificate in support of those records if so requested by the **Insurer**

Based on those records, the **Premium** will be adjusted by the **Insurer**, subject to any minimum that may apply. If the **Insured** fails to supply the records within the period stated above, the **Insurer** reserves the right to make an estimate of the records and adjust the **Premium** accordingly.

## Premium Payment

The **Insurer** must receive the **Premium** due under this **Policy** on or prior to the commencement of the **Period of Insurance** and in default of such payment this **Policy** is voidable.

## Reasonable Precautions

The **Insurer's** liability to indemnify will only arise if the **Insured**:

1. takes all reasonable precautions to avoid or diminish any liability or loss which may give rise to or has given rise to a claim under this **Policy**
2. takes all reasonable precautions to prevent accidents or any activity that might give rise to a liability to a third party
3. takes all reasonable steps to comply with all applicable national or local laws, requirements and regulations
4. exercises due care in the selection and supervision of **Employees**

## Renewal

This **Policy** or any Section of it will not automatically renew and unless an offer to renew is accepted, this **Policy** or any relevant Section will expire at the end of the **Period of Insurance** without notice.

## Rights of Third Parties

Other than where expressly provided for within the **Policy**, a person or company who is not a party to this **Policy** has no right under the Contracts (Rights of Third Parties) Act 1999 or any subsequent legislation or amendment to enforce any term of this **Policy** but this does not affect any right or remedy of a third party which exists apart from that Act.

## Severability

In the event that any portion or Section of the **Policy** is found to be invalid or unenforceable, the remainder will remain in full force and effect.

## Statutory Regulations

The **Insurer's** liability to pay any claim under this **Policy** relating to any pressure vessel or other machinery or apparatus (or its contents) belonging to or under the control of the **Insured**, which requires inspection or test under any statute or order or regulation, will not accrue unless that pressure vessel or other machinery or apparatus vessel, has been appropriately and satisfactorily inspected or tested and the **Insured** can demonstrate that it has implemented any actions thereby required.

## Subrogation

Any claimant under this **Policy** must at the request and at the expense of the **Insurer** do and concur in doing and permit to be done all such acts and things as may be necessary or reasonably required by the **Insurer** for the purpose of enforcing any rights and remedies or of obtaining relief or indemnity from other parties to which the **Insurer** is, or would become, entitled or subrogated upon its paying for or making good any loss under this **Policy** whether such acts and things are or become necessary or required before or after his indemnification by the **Insurer**.

The Declared Value incorporated in each item is as stated on the **Schedule**. At the inception of each **Period of Insurance** the **Insured** will notify the **Insurer** of the Declared Value of the **Property Insured** by each of the said item(s). In the absence of such declaration the last amount declared by the **Insured** will be taken as the Declared Value for the ensuing **Period of Insurance**

Notwithstanding any general indication or endorsement to the contrary, the following wordings apply to Special Condition (4) of the Reinstatement Condition:

If at the time of loss the Declared Value of the **Property Insured** covered by such item be less than the Cost of Reinstatement (as defined in paragraph 1 of the Day One Basis Condition) at the inception of the **Period of Insurance**, then the **Insurer's** liability for any loss hereby insured will be limited to that proportion thereof which the Declared Value bears to the Cost of Reinstatement

Where by reason of any of the above special provisions, no payment is to be made beyond the amount which would have been payable under this Property Damage Section if this clause had not been incorporated therein the rights and liabilities of the **Insurer** and the **Insured** in respect of **Damage** will be subject to the terms and conditions of this Property Damage Section including any Condition of Average (Underinsurance) therein as if this clause had not been incorporated therein except that the **Sums Insured** will be limited to 115% of the Declared Values as stated in the **Schedule**

In the event of loss the liability of the **Insurer** in respect of **Property Insured** to which this clause applies will not exceed its **Sum Insured** as stated in the **Schedule**

The costs of this instruction will form part of the **Defence Costs**.

### Severability

## Takeovers and Mergers

The Directors and Officers Liability Section may be extended to include **Loss** resulting from a **Claim** first made in the six (6) year period immediately after the expiry of this **Period of Insurance** where, during the **Period of Insurance**, there is a **Change of Control**, but only for any **Wrongful Act** committed or attempted prior to the **Change of Control** and provided that the **Policyholder** requests this extension of cover within sixty (60) days of the **Change of Control** and pays an additional premium, the amount of which to be confirmed by the **Insurer** at the time of request.

## Notification

### 1. Claims

It is a condition precedent to the **Insurer's** liability under the Directors and Officers, Corporate Legal or Employment Practices Liability Sections that as soon as reasonably practicable after a **Claim** is first made, the **Policyholder**, or any **Insured** being claimed against, must give written notice of, and forward a copy of, that **Claim** to the **Insurer** during the **Period of Insurance** in the way shown in the **Schedule**.

Where it can be demonstrated to the **Insurer's** satisfaction that it was not reasonably practicable to provide written notice during the **Period of Insurance**, notice may be given in the first fifteen (15) days immediately after the **Period of Insurance**. Notice given in this fifteen (15) day period, and subsequently accepted by the **Insurer**, will be deemed to have been given during the **Period of Insurance**.

### 2. Circumstances

When an **Insured** first becomes aware of a **Circumstance** that is reasonably expected to give rise to a **Claim**, that party may give written notice to the **Insurer** during the **Period of Insurance** providing the fullest possible particulars of the:

- a. nature of the **Circumstance**, including any relevant dates, names and contact details; and
- b. anticipated **Wrongful Act** allegations; and
- c. reason for expecting that the **Claim** will be made; and
- d. date and manner in which that **Insured** first became aware of that **Circumstance**.

If any **Circumstance** notified in accordance with this condition subsequently gives rise to a **Claim**, that **Claim** will be deemed to have been first made on the date such **Circumstance** was first notified.

## Excess

Where an **Insured Company** is permitted or required, but fails, to indemnify or reimburse an **Insured Person** or an **Insured Trustee**, for **Loss**, the **Insurer** will pay that **Loss** in the first instance provided that the **Insured Company**

must then pay the relevant **Excess** to the **Insurer** on demand.

## Related Claims

Where a **Claim** is first notified during the **Period of Insurance** in accordance with the requirements of the Directors and Officers, Corporate Legal or Employment Practices Liability Sections, any **Related Claim** made subsequently is deemed by the **Insurer** to be part of that **Claim** first notified during the **Period of Insurance** and is further deemed to be:

1. made at the same time as that first notified **Claim**;
2. notified at the same time as that first notified **Claim**.

## Advancement, Reimbursement and Allocation of Defence Costs

The **Insurer** will pay **Defence Costs** to, or on behalf of, an **Insured Person** on an ongoing, interim basis, prior to final disposal, resolution or adjudication of a **Claim** subject strictly to the proviso that where those costs and expenses are ultimately determined not to be covered by the Directors and Officers, Corporate Legal or Employment Practices Liability Sections, those costs and expenses must be reimbursed to the **Insurer** by the **Policyholder** or **Insured Person** on demand and, except for payments for non-indemnifiable **Loss**, the **Policyholder** will be jointly and severally liable with that **Insured Person** to make those payments to the **Insurer**.

In the event of a **Claim** against both an **Insured** and any other party not indemnified under the Directors and Officers, Corporate Legal or Employment Practices Liability Sections, or a **Claim** both for **Loss** indemnified under any those Sections and other loss, the parties will endeavour to agree a fair and reasonable allocation of **Defence Costs** covered by those Sections in proportion to **Loss** covered by those Sections, having regard to the relative legal and financial exposures of the parties.

Where that agreement cannot be reached within a reasonable time, the parties will seek, and be bound by, the written opinion of Queen's Counsel jointly selected by the parties (where joint selection cannot be agreed the parties agree to be bound by the selection of the Chairman of the Bar Council) acting as a legal expert and not as an arbitrator, but only to the extent that the opinion concerns the fair and reasonable allocation of **Defence Costs** covered by the Directors and Officers, Corporate Legal or Employment Practices Liability Sections in proportion to **Loss** covered by those Sections, having regard to the relative legal and financial exposures of the parties. The cost of this instruction will be deemed a **Defence Cost** and paid in like proportions as are determined to be fair and reasonable in the underlying **Loss**.

## Subrogation

The **Insurer** will not exercise subrogated rights against an **Insured Person** or **Insured Trustee**, except where it is established by formal admission, adjudication or judgment that the **Insured Person** or **Insured Trustee** has acted fraudulently or has committed a criminal act involving dishonesty or has obtained profit or advantage to which the **Insured Person** or **Insured Trustee** not lawfully entitled.

## Territorial Limit

The cover provided under the Directors and Officers Liability Section is for **Loss** resulting from **Claims** made, and **Wrongful Acts** committed, anywhere in the world except Canada or the United States of America, its territories or possessions; cover provided under the Corporate Legal and Employment Practices Liability Sections is for **Loss** resulting from **Claims** made and **Wrongful Acts** committed in the United Kingdom, the Channel Islands or the Isle of Man.

Where in the opinion of the **Insurer** the attendance of an **Insured Person** at court as an observer and not as a witness is required, the **Insurer** will pay £125 per day, but payment will be limited to one observer per day.

The **Insurer** further agrees to pay the **Insured Company** £50 per hour if, in the opinion of the **Insurer**, time is required to be spent by an **Insured Person** in interviews with lawyers, including conferences with Counsel, for the purpose of providing a witness statement or related activities required either for representation at a Coroner's Inquest or Fatal Accident Inquiry, or the defence of the **Insured Company** from a **Claim** for which this Section might provide indemnity provided that the time spent by the **Insured Person** is certified by the lawyers with the conduct of the defence.

The offer of renewal on different terms, or for different premium, when compared to this **Period of Insurance** does not constitute a refusal to renew.

### Notice of Claim

Notwithstanding any provision of this Section (including any deeming provision), the **Insured** must, as a condition precedent to the **Insured's** right to be indemnified under this Section in respect of any **Claim**, give notice to the **Insurer** as soon as reasonably practicable of such **Claim**.

The **Insured** must give notice to the **Insurer** as soon as reasonably practicable of any **Circumstance**.

### Manner of Notice of Claims

Notice by the **Insured** as contemplated by Notice and Conduct of Claims Conditions above, together with any subsequent correspondence in respect of such matters, must be sent by email or by recorded post to the applicable address specified in the **Schedule**. Such notice must contain sufficient information to allow the **Insurer** to identify the **Claim** or **Circumstance** in question, and also to identify the nature of the **Patient Injury** and the identity of the person concerned. However, the **Insurer** will have the right at any time to take sole control of the defence (including the selection and direction of defence counsel), investigation or settlement of any **Claim** or **Circumstance**. The **Insurer** will have the right at any time to withdraw from the defence, investigation or settlement of any such matters and upon such withdrawal such defence, investigation or settlement will revert to the **Insured**.

#### 2. Consent to Settlement etc.

As a condition precedent to the right to be indemnified under this Section, the **Insured** must not, in whole or in part, admit or assume any liability, agree to any settlement, incur any costs or expenses, including **Defence Costs**, consent to any arbitral or alternative dispute resolution proceedings or make any settlement offer or engage in any settlement negotiations without the **Insurer's** prior written consent.
