

ARCHITECTS & ENGINEERS

Through our strategic relationship with Professional Liability Consultants, LLC, we are pleased to provide industry leading support to Allied World insureds as a value-added service at no additional charge, with prior approval from the Allied World Underwriting Department. This is not legal advice but rather is risk management in nature. Legal advice should be obtained from qualified counsel to address specific facts and circumstances and to ensure compliance with applicable laws and standards.

RISK MANAGEMENT SERVICES

Proactive Risk Management Advice: Professional Liability Consultants, LLC, may provide proactive risk management advice. This includes Contract Risk Review Services, a review of insurance requirements, scope of services, standards of care, contractual control of third party reliance issues, limitation of liability and other pertinent clauses. Recommendations will be provided and, in most instances, insureds can expect a response within 48 hours.

Risk Management Educational Seminars are available to individual insureds/groups of insureds. The seminars are presented by Professional Liability Consultants, LLC and focus on current issues facing design professionals. Seminars are available in-house or via webinar.

The seminars provided can be stand-alone single topic presentations or they can be combined. And can be customized according to your company's specific needs. Professional Liability Consultants, LLC offers a variety of seminars including:

- **Responding to defensive actions during pre-claim situations**
