RISK MANAGEMENT
EXCESS CASUALTY

Risk management is a core element of Allied World's approach to specialty insurance. An effective risk management/loss control program is essential to help mitigate losses during the policy term and beyond. Many of these value added resources are complimentary to our policyholders.

RISK MANAGEMENT RESOURCES

- **Fleet Safety:** Access to a full best practices review, on-road, online or classroom training, National Safety Council (NSC) distracted driver training, train-the-trainer certifications, vehicle monitoring 24-hour decal programs, driver hazard perception evaluations, Motor Vehicle Record (MVR) continuous monitoring and vehicle telematics, including driver coaching.

- **24/7 Web-Based Training:** UL's PURE™ Safety On Demand provides access to a single source, web-based training library offering over 700 discounted workplace health and safety courses coupled with an automated tracking, reporting and certification process to simplify and centralize training management.

- **Slip, Trip & Fall Prevention:** Policyholders receive access to a National Floor Safety Institute (NFSI) web portal that includes slip, trip and fall policies and training programs, an overview of consensus industry standards, educational materials and expert slip, trip and fall advice via phone or email.

- **Drone Business Solutions:** Integrating drones into business operations may help enhance worker safety, improve decision making, reduce risk and lower costs. Policyholders can receive a consultation from aviation industry experts covering the latest updates in regulatory compliance, pilot training, hardware, software, data analytics, operational safety standards and best practices.

- **Violence on Your Premises Resources (Including Active Shooter):** A broad spectrum of resources, including security assessments, crisis intervention training classes, educational webinars, web-based courses and state and federal preparedness online tools.

- **Educational Portal:** Complimentary risk management resources, including advisories, alerts, whitepapers, webinars and best practices checklists.

- **BLR® Regulatory Compliance Platform:** Online OSHA and EPA regulatory compliance tools including industrial safety training resources, assessment and inspection checklists, federal and state regulatory development notifications and "Ask the Expert" advice.
