Healthcare providers, both large and small, turn to Allied World to provide comprehensive and innovative solutions addressing their property and casualty insurance requirements. The healthcare team has a proven track record in this challenging and highly specialised market. We understand the unique exposures of hospitals and other healthcare organisations and tailor each policy to the specific coverage needs of the insured.

Allied World has built its worldwide healthcare reputation on the foundation of delivering superior risk reduction programmes to organisations they insure. Their services are designed to be an integral component of clients' insurance coverage – adding value beyond insurance protection. Our risk managers come from industry, speak the insureds language, and appreciate the unique challenges they face.
