Distribution Strategy

Our Product Approval Process considers whether the proposed distribution is appropriate for our identified target market and the competency and experience of the parties involved in the distribution of our product.

This product can be distributed via FCA authorised brokers, MGAs, and Appointed Representatives with the prior agreement of Allied World. It is appropriate for the identified target market.

Brokers must enter into our standard format Terms of Business Agreement (TOBA) before we will transact business. Our preferred tool for agreeing, managing, and administering TOBAs is provided by REG Technologies.

Product Governance

Product Governance Group (PGG)

PGG is responsible for:

- Assessing Allied World products for pricing and product fair value and how they are distributed to ensure they are appropriately designed and distributed to meet the needs of the identified target market.
- Reviewing management information to ensure the product is performing in the way expected.
- Overseeing the process for the design, testing and approval of new products and significant adaptations to existing products.

PGG has senior management representation and includes Legal & Compliance. It is chaired by the Chief Underwriter Officer and meets at least quarterly.

Product Approval Process

The Product Approval Process document outlines the approval process and is applicable to products issued by Allied World Assurance Company (Europe) dac.

New products and/or significant changes to existing products are evaluated and approved prior to customer distribution and the process considers the Customer Risk Assessment Form (CRAF) which captures:

- Underwriting and regulatory information
- Acquisition costs and fees
- Customer risk
- Target market
- Product risk / product testing
- Sales risk / assessment of distribution of product
- Service risk

No significant adaptations have recently been made to the Miscellaneous Professional Indemnity Policy (2), reference PIM2-UK 00002 148 (09/22).

Product Testing

The Product Approval Process considers what product testing is appropriate for new products or where there has been a significant adaptation to an existing product, what has been done and whether that is commensurate with the product and its complexity.

Product Reviews and Fair Value

Our product governance process requires a review of our products and target market statements at least annually to determine if the product offers fair value to the end customer.

These reviews consider the:

- Target market and any changes in the foreseeable future,
- Distribution strategy,
- Remuneration structures,
- Product information and performance (considering complaints and actual vs expected loss ratios),
- When wordings were reviewed by Legal Counsel,
- The experience of those involved in product manufacturer; and
- Distribution feedback where available from distributors and customers.

Vulnerable Customers

Allied World is committed to providing positive outcomes to all customers, including the identification, assessment, monitoring and management of customers with vulnerabilities.

Target market
