

In today's world, threats can occur anytime and anywhere. Whether at home or abroad, access to critical intelligence can help manage emerging risks to stay safe.

A Comprehensive Security Intelligence Portal for our DBA Insureds

As part of our ongoing commitment to providing comprehensive risk management solutions to our DBA insureds, Allied World has partnered with Crisis24 – a leading authority in global security and risk management. Allied World's insureds can access Crisis24's Horizon security intelligence portal that includes alerts of security threats and disruptions worldwide, risk ratings and location intelligence, online courses to help better protect your personal security while traveling and a 24/7 hotline staffed by response operations specialists, supported by intelligence analysts and security experts who can provide immediate security advice or assistance in times of need.

To request access to Crisis24's Horizon security intelligence portal, please contact **riskmanagement@awacservices.com**.

Crisis24 can help insureds to:

- Stay informed on incidents in your vicinity
- → Understand the risk and security environment in a destination ahead of travel
- → Get notified when approaching an area of higher risk
- → Mitigate and manage a range of safety and security concerns
