JOURNEY PERSONAL ACCIDENT INSURANCE

Introduction

This booklet consists of two parts:

- (a) Part 1 - Product Disclosure Statement (“**PDS**”)
- (b) Part 2 - **Policy Wording**

Where words or expressions used in have a special meaning, **We** have used the same terms in all parts of this document (unless stated otherwise). These defined terms are capitalised and their special meaning is explained in the definitions section of the **Policy Wording**.

Product Disclosure Statement (Part 1)

The purpose of this PDS is to help **You** understand the key features of the insurance and provide **You** with sufficient information to enable **You** to make an informed decision about whether to purchase it.

The PDS does not form part of the insurance contract between **You** and **Us**.

Policy Wording (Part 2)

This part contains the terms, conditions, exclusions, limits and definitions of **Your** insurance **Policy**. It also contains information about **Your** rights and obligations under the **Policy**.

When **We** issue the insurance to **You**, **You** will also receive a **Policy Schedule** which describes what **We** have agreed to cover and other important information relating to **Your Policy**, including any applicable **Waiting Period**, limits and sub-limits.

Before **You** decide to buy this insurance, please carefully read all three parts of this booklet.

If **You** purchase this insurance, **Your Policy** comprises of the **Policy Wording** contained in Part 2 of this document, and the **Policy Schedule** **We** issue to **You** which shows details particular to **You** and **Your** coverage. **Your Policy** is subject to definitions, terms, conditions and limitations set out in the **Policy Wording**.

JOURNEY PERSONAL ACCIDENT INSURANCE

Part 1: Product Disclosure Statement

The PDS contains important information about the features of the insurance, including costs, significant **Benefits**, exclusions, conditions and other information, including **Your** duty to take reasonable care not to make a misrepresentation or **Your** duty of disclosure depending on which is applicable to **You**, how to make a claim and **Your** cooling-off rights. It also describes our commitment to the General Insurance Code and how **You** may contact **Us** if **You** have a complaint.

While the PDS provides a summary of the significant **Benefits** and features of the insurance, **You** should also read the **Policy Wording** to understand what **You** are and are not covered for. Exclusions should be read carefully as they will tell **You** what is not covered by the **Policy**.

You can also review the Target Market Determination ("TMD") for this product if **You** want to understand whether it is likely to be suited to **Your** needs. The TMD is available at www.alliedworldinsurance.com/Australia

This PDS was prepared on 18th September 2024. The information in this PDS is current at the date of preparation. **We** may need to update some of the information in the PDS if certain changes occur and where required by law. If the change is material, **We** will arrange for **You** to be provided with a supplementary or new PDS to the email address recorded in our system. **We** may update some of the information in the PDS from time to time without needing to notify **You** (but only if it is not material information).

Significant features and benefits

The **Policy** covers lump sum **Benefits** for **Accidental Death** and **Permanent Disablement** as well as weekly **Benefits** for **Bodily Injury**.

The information contained in this section is a summary of the **Benefits** available under the **Policy**. It is not exhaustive and the cover is subject to conditions and exclusions. Please refer to the **Policy Wording** in Part 2 of this document for full details of the cover, terms, definitions, conditions, exclusions and limits that may apply for **You** to understand the coverage provided by this insurance.

When and how benefits are provided

The **Benefits** provided under the **Policy** are payable:

- when an **Event** occurs during the **Insurance Period** causing **You** to suffer **Loss** or damage; and
- We have accepted **Your** claim.

After calculating the amount payable **We** will either:

- use it to pay for **Benefits** covered under the **Policy**;
- pay the person to whom **You** are legally liable; or
- pay **You**.

Cooling off

If **You** change **Your** mind about the **Policy**, **You** have the right to cancel it within twenty-one (21) days of the date it was issued to **You** ("cooling off period"), unless **You** made a claim under the **Policy** within the cooling off period. If **You** cancel it in this time, **We** will return the full amount **You** have paid and **Your** cover will end.

To cancel at other times, please refer to the cancellation clause found in the general provisions of the **Policy Wording**.

The amount you pay for this insurance

The amount **We** charge **You** for this insurance **Policy** is called the '**Premium**'. It is the total amount that **We** calculate to cover the risk, plus GST and any relevant government charges (such as stamp duty). These amounts will be shown on **Your Policy Schedule**.

If **You** change **Your Policy** during the **Insurance Period** (for example **You** choose to add or remove a cover option or additional **Benefit**) and **We** agree to the change, **We** may need to adjust **Your Premium** based on **Our** assessment of the risk. **You** may be entitled to a partial refund (if the change results in a reduction to the **Premium**) or **You** may be required to pay an additional amount (if the change results in an increase to the **Premium**). **We** will advise **You** if a change is likely to increase or reduce **Your Premium**. If **You** request any change to cover and **We** don't agree to the change, then **We** will let **You** know and the **Policy** will continue unchanged.

How various factors affect your premium

We consider a number of factors in calculating **Your Premium**. The key factors that affect **Your Premium** are nature of the covered activities, commuting distance, sum insured limits, **Waiting Periods**, **Operative Period of Cover**, claims history and age demographic.

The amount of **Premium** that **You** will pay will also depend on the information that **You** provide to **Us** as well as other commercial factors. The annual **Premium** payable by **You** will be shown in **Your Schedule**. **Premiums** are subject to applicable statutory taxes and charges.

Excess

The excess is the amount **You** must contribute towards the cost of any claim **You** make. If **We** agree to pay **Your** claim, the excess will be deducted from the amount of the claim that is paid to **You**, or **You** may be asked to pay the excess to a supplier, repairer directly or to **Us**.

Duty not to misrepresent

This applies to **Policyholders** who are a natural person.

When answering **Our** questions in the application form or providing **Us** with information that is relevant to **Our** decision to insure **You** and on what terms, **You** have a duty to take reasonable care not to make a misrepresentation to **us**. This duty applies when **You** first apply for the **Policy**, when **You** request changes to **Your Policy** or at renewal.

You and other insured person(s) must answer **our** questions with relevant and complete information, and **You** must not misrepresent any information that **You** give to **us**. **You** have the same duty in relation to anyone else whom **You** want to be covered by the **Policy** and before **You** renew, extend, vary or reinstate an insurance contract.

If **You** fail to comply with **Your** duty, and **We** would not have issued the **Policy** for the same **Premium** and on the same terms and conditions, **We** may be entitled to reduce **Our** liability under the **Policy** in respect of any claim or **We** may cancel the **Policy**.

If **Your** failure to comply with **Your** duty is fraudulent, **We** may refuse to pay a claim and treat the **Policy** as never having been in existence.

If you do not tell us something

If **You** do not tell **Us** anything **You** are required to, **We** may cancel **Your** contract or reduce the amount **We** will pay **You** if **You** make a claim, or both.

Your duty of disclosure

This applies to **Policyholders** who are not a natural person.

Before **You** enter into an insurance contract, **You** have a duty to tell **Us** anything that **You** know, or could reasonably be expected to know, may affect **Our** decision to insure **You** and on what terms.

You have this duty until **We** agree to insure **You**.

You have the same duty before **You** renew, extend, vary or reinstate an insurance contract.

You do not need to tell **Us** anything that:

- reduces the risk **We** insure **You** for; or
- is common knowledge; or
- **We** know or should know as an insurer; or
- **We** waive **Your** duty to tell **Us** about.

If you do not tell us something

If **You** do not tell **Us** anything **You** are required to, **We** may cancel **Your** contract or reduce the amount **We** will pay **You** if **You** make a claim, or both.

If **Your** failure to tell **Us** is fraudulent, **We** may refuse to pay a claim and treat the contract as if it never existed.

How to make a claim

If an **Event** has occurred which **You** believe has, or is likely to, give rise to a claim under the **Policy**, **You** must notify **Us** as soon as reasonably practicable after such event, by contacting **Us** using the contact details set out in this PDS.

More information about **our** claims process, including any conditions that must be met for **Us** to assess **Your** claim, is available in the **Policy Wording** in Part 2 of this booklet. **You** should familiarise **Yourself** with the conditions in order to avoid unexpected complications with a claim.

When there is more than one policyholder

When there is more than one insured noted on **Your schedule**, **We** may treat what any one of them says or does in relation to **Your Policy** or any claim under it, as said or done by each of the insureds. **We** may rely on a request from one insured to change or cancel **Your Policy** or tell **Us** where a claim payment should be paid.

There are, however, some exceptions to this. During the period of insurance, **We** might ask all joint **Policyholders** before **We** action a request or direction in relation to **Your Policy** (e.g. before **We** cancel **Your policy**, reduce **Your** cover or remove another **Policyholder**). This way **We** can help protect the interests of all **Policyholders**.

When **We** consider a claim under this **Policy**, **We** will have regard to any prejudice suffered by **You** or any other person entitled to **Benefit** under this **Policy** in relation to that claim particularly where it is caused by mental illness, substance abuse and/or an act of violence or intimidation by, another **Policyholder** or person entitled to **Benefit** under this **Policy**. In doing this, **We** may meet the claim when **We** are not legally required to do so. If **We** do, **We** will limit the claim in relation to the person claiming to an amount which is fair in the circumstances. However, this does not apply if **We** are relying on **Our** legal right to reduce or refuse a claim due to a breach of the **Policy** conditions or a failure to take reasonable care not to make a misrepresentation / comply with **Your** duty of disclosure as stated in **Your Policy**.

Financial Claims Scheme

This **Policy** is a protected **Policy** under the Federal Government’s Financial Claims Scheme (“FCS”) which is administered by APRA.

The FCS only applies in the extremely unlikely **Event** of an insurer becoming insolvent and the Federal Treasurer making a declaration that the FCS will apply to that insurer. It is also subject to eligibility criteria.

The FCS entitles certain persons, who have valid claims connected with certain protected policies issued by that insurer to be paid certain amounts by APRA. Further information about the scheme can be obtained from the APRA website at www.apra.gov.au or on the APRA hotline on 1300 558 849.
