

IMPORTANT FACTS RELATING TO THIS PROPOSAL

You should read the following advice before proceeding to complete this proposal

1. **Statement pursuant to the Insurance Act (Cap 142) or any amendments thereof:** You are to disclose in this application, fully and faithfully, all the facts which you know or ought to know, otherwise the policy issued may be void.
2. No insurance is in force until this application is accepted by us in accordance with policy terms, conditions and exclusions.
3. If your proposal is accepted, it is a condition precedent to our liability under the policy that the premium must be paid to and received by us within 60 days from the inception of the insurance, failing which the policy shall deemed to be automatically terminated and a pro-rata premium will be charged for the period that we are on risk.

4. Duty of Disclosure

Before you enter into a contract of general insurance with an insurer, you have a duty to disclose to the insurer every matter that you know, or could reasonably be expected to know, is relevant to the insurer's decision whether to accept the risk of insurance, and if so, on what terms.

You have the same duty to disclose those matters to the insurer before you renew, extend, vary or reinstate a contract of general insurance.

Your duty, however, does not require disclosure of any matter:

- that diminishes the risk to be undertaken by the insurer;
- that is of common knowledge;
- that your insurer knows or, in the ordinary course of his business, ought to know;
- as to which compliance with your duty is waived by the insurer.

Non-disclosure

If you fail to comply with your duty of disclosure, the insurer may be entitled to reduce its liability under the contract in respect of a claim, refuse to pay the claim or may cancel the contract. If your non-disclosure is fraudulent, the insurer may also have the option of avoiding the contract from its beginning.

5. This Educators' Liability Insurance Policy is issued on a claims made and notified basis

This means that the policy responds to claims first made against you during the policy period and notified to the insurer during that policy period.

The policy does not respond to any claim arising out of facts or circumstances of which you were aware at any time prior to the policy period which would have put a reasonable person in your position on notice that a claim may be made against you. (Some cover may be available under the Continuous Cover extension for innocent non-disclosure of facts and circumstances – but only if you are continuously insured under an educators' liability policy issued by Allied World Assurance Company, Ltd from the time when you first become aware of such facts or circumstances to the time when you notify a claim arising from those facts and circumstances to Allied World Assurance Company, Ltd).

The policy does not respond to any claim resulting from an act, error or omission occurring or committed by you prior to the retroactive date, where a retroactive date is specified in the policy terms which are offered to you.

Once the policy period has expired, no notification of claims or facts or circumstances can be made on the policy even though:

- (a) the event giving rise to the claim against you may have occurred during the policy period
- (b) you may have first become aware of the facts or circumstances giving rise to the claim during the policy period.

6. Completing Your Proposal

When completing your proposal you are obliged to report and provide full details of all facts or circumstances which have become known to you and which would put a reasonable person in your position on notice that a claim may be made against you.

This is important so as to ensure:

- (a) if you are currently insured with Allied World Assurance Company, Ltd, and you notify such facts or circumstances prior to the expiry of the policy, that you are covered under your current policy in respect of any claim arising out of those facts or circumstances; and
- (b) that you make proper disclosure (refer 'Duty of Disclosure' pursuant to the Insurance Contracts Act) in order that your entitlement to full indemnity under your new policy is not placed in jeopardy.

Note:

- Please answer ALL questions and tick boxes whenever appropriate. If there is insufficient space, please provide details on separate sheet and attach to this proposal form.
