

Our General Property team specialises in providing comprehensive and innovative solutions to our customers. We understand that each policy needs to be tailored to the specific needs of the insured, and we are continually evolving to manage risk and provide coverage against emerging exposures. From our operations in Asia-Pacific, we offer general property products that focus on insuring physical property and business interruption coverage for commercial risks.

RISK MANAGEMENT

Risk management is a fundamental part of our underwriting process. Our highly experienced risk engineers and claims team can work closely with clients to analyse potential hazards with the aim of economically reducing risk.

Our Team in Asia Includes:

- Civil & Mechanical Engineers
- Logistics & Security experts
- Skilled individuals with experience related to the Power industry, Semiconductor industry, Tunneling, Logistics, Healthcare as well as many others.

RISK MANAGEMENT SERVICES

Working closely with our customers enables us to review physical operations and propose economically feasible recommendations to improve risk profiles. Our team also works closely with our claims department to recognize and understand common industry issues, helping our clients avoid those pitfalls.

Specific Services Include:

- Assessing passive and active fire protection
- Checking that human element risks are controlled
- Ensuring adherence to an inspection test plans
- Reviewing maintenance programmes
