EXECUTIVE FORCEFIELD®

Side 'A' Directors & Officers Excess and
Lead Difference-in-Conditions (DIC) Insurance

Allied World is dedicated to providing the most comprehensive protection to directors and officers. Allied World North America has built a strong, market- leading franchise in providing dedicated Side 'A' protection for the personal assets of directors and officers. Executive ForceField® is a market leader in 'last line of defence' coverage – in no small part due to our commitment to ensuring that the policy never lags behind the realities of the market. Executive ForceField® addresses the growing trend of companies investigating and reporting conduct irregularities to regulators.

Not only does the policy help to fill gaps and inconsistencies in coverage where the primary carrier fails to provide indemnification, it also affords the client (by way of a single claim limit) greater recovery under the original and reinstated limits when there are numerous unrelated claims.

Drop Down Event (DIC) includes:

- **Non-licensed DIC Extension:** failure or refusal of an Underlying Insurer to pay the Non-Indemnified Loss because the Underlying Insurer does not hold a local license.
- **Quick Response:** failure of an Underlying Insurer to indemnify any Insured Person for the Non-Indemnified Loss within 45 days after indemnification is requested.

- **Remediation:** costs incurred by Insured Person to comply with a written remedial direction, request or order to test for, monitor or clean up pollutants.

Single Claim Limit/Reinstated Limit(s)

Policy Limits, up to \$25M:

- **Single Claim Limit** allows for the ability to apply multiple related claims across the two reinstated limits.
- Allied World will not pay more than the original policy limit for any one claim. However, if there are multiple unrelated claims, the original limit is potentially recoverable (up to three times the original limit).
- Reinstated Limit removes the exclusion that such limits will not apply to any Claim which eroded or exhausted the policy's Limit of Liability.
- Reinstated Limit now applies to any Insured Person.
- Available at no additional premium
- The policy's Limit of Liability is automatically reinstated if the limit is exhausted due to payment of Loss.
- Reinstated limits apply on an around-the-clock excess basis.
- A smaller, additional "single claim limit" may be available, but only to board members.

Pre-Claim Inquiry Coverage:

- Includes costs associated with a raid conducted on-site by a regulator; an allegation of a wrongful act is not required for coverage to apply.
- Includes Liberty Protection Costs.

Subsidiary: no additional premium will be charged for any Subsidiary created or acquired during the Policy Period.

Limited Conduct Exclusion:

- Applies to any personal financial profit deliberately gained or any active and deliberate fraudulent or criminal acts by an Insured Person if committed with actual dishonest purpose and intent and such acts were material to the Claim; only applies if established by a final and non-appealable adjudication in the underlying action.
- Exclusion does not apply to Defence Costs, Independent Directors or any employment-related Claim.

Favorable Notice Provisions:

- Client must provide notice as soon as reasonably practicable after general counsel or risk manager (or individuals with equivalent responsibilities) receives written notice of Claim.
- Notice of Pre-Claim Inquiry is at sole discretion of Company or Insured Persons if they elect to seek coverage.
- 90-day post policy reporting.

Advancement of Costs: defence costs and pre-claim inquiry costs advanced on a current basis, but no later than 30 days after Allied World receives the Insured Person's request for payment.

Participation and Cooperation:

- **Potential Conflicts:** Allied World shall accept as reasonable and necessary the retention of separate legal counsel where there is an actual or potential conflict of interest between any Insured Persons.
- **Consent** is not required before entering into a plea agreement, deferred prosecution agreement or similar resolution of any pending or potential criminal charge; or reporting to, and subsequently communicating with, the

Company or any Regulator that a breach of law or regulation or policy has or may have occurred.

Requirements for Insured Persons Potentially Subject to Criminal Sanctions:

In criminal sanction cases, Allied World agrees to accept attorney invoices that identify the case or matter for work performed and time spent on each task. The Insured Person, with the cooperation of their attorney, shall make a good faith effort to provide a general description of the work performed that will allow us to confirm that the fees and costs incurred are reasonable without risking prejudice to the Insured Person.

- **Severability of Cooperation:** the failure of the Company or any Insured Person to cooperate and inform Allied World will not prejudice the rights to coverage under this policy of any other Insured Person.

Broader Terms of Prior DIC Policy:

coverage will apply to the broader of this policy or the prior Allied World DIC policy.
