LLOYD'S

Underwriters

Healthcare providers, both large and small, turn to Allied World to provide comprehensive and innovative solutions addressing their Medical Malpractice property and casualty insurance requirements. The healthcare team has a proven track record in this challenging and highly specialised market. We understand the unique exposures of healthcare organisations and tailor each policy to the specific coverage needs of the insured.

Allied World has built its worldwide healthcare reputation on the foundation of delivering superior risk reduction programmes to organisations they insure. Our clinical risk managers are experts that come from industry, speak the insureds language, and appreciate the unique challenges they face. They provide our underwriters and claims teams with a better understanding of the clinical delivery, services and developments within the healthcare space.

Allied World's suite of risk management services include:

- Educational webinars, resources and tools
- Conference scholarships
- Bespoke risk reduction
