Distribution Strategy

Our Product Approval Process considers whether the proposed distribution is appropriate for our identified target market and the competency and experience of the parties involved in the distribution of our product.

This product can be distributed via FCA authorised brokers, MGAs, and Appointed Representatives with the prior agreement of Allied World. It is appropriate for the identified target market.

Brokers must enter into our standard format Terms of Business Agreement (TOBA) before we will transact business. Our preferred tool for agreeing, managing, and administering TOBAs is provided by REG Technologies.

Product Governance**Product Governance Group (PGG)**

PGG is responsible for various items, including:

- Assessing Allied World products for pricing and product fair value and how they are distributed to ensure they are appropriately designed and distributed to meet the needs of the identified target market.
- Reviewing management information to ensure the product is performing in the way expected.
- Overseeing the process for the design, testing and approval of new products and significant adaptations to existing products.

PGG has senior management representation and includes Legal & Compliance. It is chaired by the Product Governance Manager and meets at least quarterly.

Product Approval Process

The Product Approval Process outlines the approval process and is applicable to products issued by Allied World Assurance Company (Europe) dac and Allied World Managing Agency Limited for and on behalf of Syndicate 2232 at Lloyd's of London.

New products and/or significant changes to existing products are evaluated and approved prior to customer distribution. This process captures the following:

- Underwriting and regulatory information
- Acquisition costs and fees
- Customer risk
- Target market
- Product risk / product testing
- Sales risk / assessment of distribution of product
- Service risk

No significant adaptations have recently been made to the Excess Directors and Officers Insurance and Company Reimbursement Policy, reference AWXSDO-UK 00002 148 (07/24).

Product Testing

The Product Approval Process considers what product testing is appropriate for new products or where there has been a significant adaptation to an existing product, what has been done and whether that is commensurate with the product and its complexity.

Product Reviews and Fair Value

Our product governance process requires a review of our products and target market statements at least annually to determine if the product offers fair value to the end customer.

These reviews consider the:

- Target market and any changes in the foreseeable future,
- Distribution strategy,
- Remuneration structures,
- Product information and performance (considering complaints and actual vs expected loss ratios),
- When wordings were reviewed by Legal Counsel,
- The experience of those involved in product manufacturer; and
- Distribution feedback where available from distributors and customers.

Vulnerable Customers

Allied World is committed to providing positive outcomes to all customers, this includes processes to assist with the identification and handling of customer with vulnerabilities.

Fair Value Attestation 2025

We attest that the product represents Fair Value to its intended target market for a reasonable foreseeable period and is subject to distributors:

- Not charging customers additional amounts over and above the gross premium quoted by us without first determining that they do not have detrimental effect on the value of the product.
- Highlighted to customers the key exclusions and limitation of the policy.

- Ensuring that no duplicate cover exists as this may effect the intended Fair Value of this product to the customer.

Target market

What is the product?

Directors and Officers is a commercial insurance product which indemnifies the insured (the individual directors and officers or the company itself) in the event that the insured suffers financial loss as a consequence of legal action brought against them in their role as directors and officers.

Who is the product designed for?

Directors and Officers or both public and private companies, and the companies themselves.

What are the Target Classes?

Individual Directors & Officers and companies.

What customer need is met by this product?

Personal liability protection against legal action brought against them in their role as directors and officers.

How can the product be purchased?

This product is sold by brokers directly to the customer by telephone, online or a mix of these methods.

Are there changes anticipated to the target market?

Any notable exclusions or circumstances where the product will not respond

Important Conditions

- Claims must be notified as soon as reasonably practicable and no later than 30 days after becoming aware of an event.
- There are conditions which are precedent to our liability, and these are stated in the primary policy wording. These conditions oblige the Insured to act in a certain way or stipulate a contingency upon which the validity of the policy or a claim depends. It is the responsibility of the distributor to familiarise themselves with the conditions precedent and seek clarification from us or the primary insurer if unclear.
- Limits of liability apply to each policy section, section extensions and additional cover, and the amounts are specified in the policy schedule.

- Where an excess is applicable, the amount is specified in the policy schedule.
- Payment of defence costs is subject to and reduces the limits and excess.
- The insured must:
 - o Take all reasonable steps to comply with all relevant applicable laws, obligations, requirements, regulations, and codes of professional conduct.
 - o Pay the premium on time and in full.
 - o Give notice to us as soon as reasonably practicable of any circumstance or claim.
 - o Fully cooperate with us in the defence, investigation or settlement of any matter that may involve this Policy.
- The insured may have specific additional obligations under their policy which will be shown in the policy schedule as either Exclusions, Endorsements, Conditions or Claims Conditions or in the primary wording.

Key Exclusions

- Previously reported claims.
- Claims or circumstances occurring prior to the retroactive date.

All other exclusions included in the underlying wording.
