

Workplace Solutions

By Zywave

In today's evolving workplace environment, employers face a range of complex challenges related to compliance, employee relations, and risk management. In a continued effort to provide policyholders with comprehensive and forward-thinking solutions, Zywave expands the reach of our services, offering enhanced tools to strengthen risk mitigation from a Human Resources and Human Capital perspective.

Allied World has contracted with Zywave to provide a variety of workplace solutions including a toll-free employer helpline, HR compliance portal, employee handbook builder, online unlawful harassment prevention training and monthly HR express updates and HR alerts.

Zywave can help insureds to access:

- Personalized advice and best practices on over 50 different Human Resource and employment law issues
- Daily updated federal and state Human Resource and employment law news, regulation changes, HR forms and employment posters
- Resources to stay informed on continuously changing state and federal workplace regulations

To request access to Allied World's workplace solutions through Zywave, please contact riskmanagement@awacservices.com.
