

ALLIED WORLD PENSION PROTECT

Companies and individuals involved with sponsoring, administering or managing pensions, savings, profit-sharing, employee benefit and health/welfare plans may be liable to the participants and beneficiaries for any breach of their fiduciary duties. In fact, the designated fiduciaries are not the only target of lawsuits; plan designers, administrators, asset managers, employers and the plan itself can all be liable. Furthermore, fiduciaries can also be held liable for the acts, errors and omissions of third parties who provide administrative and related services. Allied World's Pension Protect coverage provides protection in the event of such claims being made.
